

[AccessSurgery](#) (ACS) is an online medical resource that provides surgical residents and medical students with the tools they need to excel in clinical rotations; clerkships; and shelf, ABSITE, and board exam prep. ACS provides students and residents with interactive content, surgical videos, self-assessment, and leading medical texts to enhance decision-making at the point-of-care. It allows for practicing surgeons to brush up on their medical knowledge to ensure best patient outcomes. It includes a complete full-text library of clinical textbooks, including the latest editions of [Zollinger's Atlas of Surgical Operations, 10e](#), [Schwartz's Principles of Surgery, 10e](#), and many others.
