

[AccessObGyn](#) (OBGYN) is an online medical resource that provides students with the tools they need to excel in basic and advanced studies, clerkships, and crucial test prep covering the breadth of obstetrics and gynecology. OBGYN provides students and residents with interactive content, self-assessment, and leading medical texts to enhance decision-making at the point-of-care. It allows for practicing obstetricians and gynecologists to brush up on their medical knowledge to ensure best patient outcomes. It includes a complete full-text library of clinical textbooks, including [Williams Obstetrics, 25e](#), [Williams Gynecology, 3e](#), and many others.
