The image shows the login page for McGraw-Hill Medical Institutional Administrators. At the top, the McGraw-Hill Medical logo is displayed. Below it, a black header reads "Sign Into McGraw Hill | Institutional Administrator". The main content area contains two input fields: "Username" and "Password", each with a red asterisk indicating a required field. A "Sign In" button is positioned below the password field. At the bottom left, there are radio buttons for "English" (selected) and "Español".

Select COUNTER R5 Reports:

The screenshot displays the McGraw-Hill Medical COUNTER R5 Reports dashboard. The top navigation bar includes the McGraw-Hill Medical logo, the text "McGraw Hill", and a "Logout" button. The date and time are shown as "January 5, 2023 - 12:41 PM EST", with language options for "English" and "Español". The main navigation menu includes "Institutional Summary", "Access Options", "COUNTER R4 Reports", "Other Reports", and "COUNTER R5 Reports" (highlighted with a yellow box). The dashboard title is "COUNTER Reports for".

**Need Help?**

This dashboard allows you to view your account and access information, and generate reports for your institution. If you are a consortium leader, you may also view the dashboard(s) for member institutions. Please see the Institutional Administrator User Guide (at the bottom of this page) for more information.

**COUNTER Reports**

SiteManager ceased capturing usage for COUNTER 4 reporting at the close of 2020. All historical COUNTER 4 reports will be available until Jan. 1, 2026. Usage data for 2021 and forward is only available via COUNTER 5 reporting.

For additional information on pulling usage statistics, please visit: [www.accessusercenter.com/pages/Pulling-Usage-Statistics](http://www.accessusercenter.com/pages/Pulling-Usage-Statistics)

In accordance with the COUNTER Code of Practice (Release 4), resources for which the number of section requests is zero are not included in COUNTER Book Report 2 or in the Other Reports. For any resource that appears on your subscribed site(s) but does not appear on usage reports, it can be understood that there was no usage for the stated period.
