

AccessMedicine (ACM) is an online medical resource that provides students with the tools they need to excel in basic and advanced studies, clerkships, and crucial test prep. ACM provides residents, nurse practitioners, and physician assistants with interactive content, self-assessment, and leading medical texts to enhance decision-making at the point-of-care. It and allows for practicing physicians to brush up on their medical knowledge to ensure best patient outcomes. It includes a complete full-text library of clinical and basic science textbooks, including Harrison's Principles of Internal Medicine, 20e, CURRENT Medical Diagnosis & Treatment, The Color Atlas of Family Medicine, 2e, and many others.
