WildAct Vietnam

Founder and Director: Trang Nguyen

Contact: trang.nguyen@wildact-vn.org

- Our work is dedicated to raising Vietnamese people awareness on conservation issues by providing information and education programs.
- Three main programs: i) National Capacity Building; ii) Empowering Women in Conservation and iii) Reducing plastic waste.
- The first and only organisation in Vietnam creates 2 master courses (Combatting Illegal Wildlife Trade and Captive Animal Welfare) as well as working to improve working environment for female conservationists.
