

CATULLAN IDENTITIES

What?

This workshop will take the poems of the ancient Roman poet Catullus as an inspiration for creative explorations of what it means to be queer. We will read and discuss the poems in translation and then create our own responses and adaptations of them

Who?

Everyone welcome! No prior experiences and knowledge required. This is a space especially for LGBTQIA+ identities
Art supplies will be provided, but please feel free to bring your own preferred creative utensils!
