 Mexico City

LEADERSHIP IN ACTION: MAKESENSE RE_ACTION FOR IMPACT 2023

Week 1 - Inspiration Week

- Explored Farm Nuestro Huerto, an agro-sustainable community
- Introduced own cultures to each other at the Cultural Fair

Week 2 - Inspiration Week

- Cleaned Xochimilco's canals on a kayak, collecting 15 full large bags of garbage
- Leadership Camp in Las Estacas Natural Park
- Visited the Mazahuas, an indigenous community in Mexico

Week 3 - Meeting NGOs

- Met with Bio-Eco to learn more about the project
- Contacted potential partnering organizations for the food waste management workshop
- Visited the Chocolate Museum

Week 4 - Meeting Volunteers

- Had the first meeting with our volunteers
- Met with Nacobre, the host organization for our workshop
- Prepared the workshop PowerPoint slides and translated them into Spanish

Week 5 - Re_act

- Organized a food waste management workshop with 12 participants at Nacobre
- The workshop participants implement their SMART food waste solutions

Week 6 - Evaluate

- Closing Ceremony
- Wrote a report on the food waste management workshop with the data collected from the feedback survey
