About Hannah Watton

Hi! Having previously been a Laidlaw Undergraduate Scholar studying English Literature at UCL, I've recently joined the Laidlaw Foundation as a Community Ambassador and Team Support Executive.

My research looked at collaborative and innovative practices in academic publishing, and community building is something I built a passion for during my Leadership in Action. I'm looking forward to continuing my journey at the Laidlaw Foundation in this new role! Feel free to reach out or connect with me!

I am a/an:

Alum: Undergraduate Leadership & Research Programme

Staff Member/Trustee of the Laidlaw Foundation

University

University College London
