O2K's 2026 AV Checklist

Checklist 1

Intelligent Dante audio setup that works so seamlessly, you forget it's there.

- Crystal-clear, low-latency sound
- Seamless AV & UC integration
- Routing without rewiring
- Audio, power & control on one Ethernet cable (PoE)

A Dante audio setup that stays out of the way, so you can truly stay in your meeting.

Checklist 2

Essentials for effortless connectivity.

- Universal USB-C for video, audio, power & data
- Plug & play for BYOD
- 50m reach, no boosters needed

Because cable connections shouldn't clutter your space.
