LIDLAW SCHOLARS

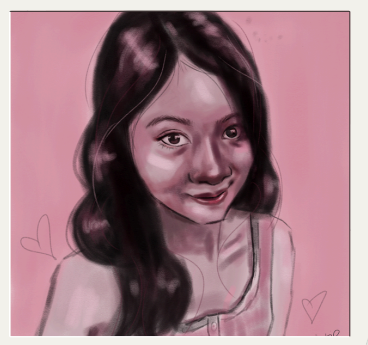

## Moments Together

From meeting scholars worldwide to bonding with local people

Goodies from friendly locals at a cafe

Portrait of myself drawn by a fellow scholar!

Understanding weekly operations

## Work with Nidaria

Created two deliverables with two other fellow scholars to expand the client base of a food waste upcycling business

Operational manual for prospective employees

Preparations for the networking event

## Cultural Immersion

Explored the diverse landscapes of Mexico City and local plant-based culinary delights

Cactus flatbreads prepared by locals in Xochimilco

Remains of ancient civilisations

Cable cars: public transport in Iztapalapa

## Solo Adventures

First time navigating in a city so far away from home! Google maps and Google translate became my go-to apps

China town in Mexico City

Boarding flights and transiting alone :)
