- Microbiology Cases
- Sherris Medical Microbiology Cases
- Pathophysiology Cases
- Clinical Neuroanatomy Cases
- Resident Readiness®: Internal Medicine
- Acid-Base Disturbances

Review questions are located under the “Study Tools” tab on the toolbar of our Access sites.

Some Access sites incorporate a “Clerkship” tab for third and fourth year medical students, which contains pertinent study content, including book chapters, videos, audio clips, cases, and images for clerkship-specific topics.

The screenshot displays the Access Medicine website interface. At the top left is the "ACCESS Medicine" logo. On the right, it says "Access Provided by: McGraw-Hill Medical". Below the logo is a navigation bar with tabs: Books, Quick Reference, Drugs, Multimedia, Cases, Study Tools, Patient Ed, and Hospital Corner. The "Study Tools" tab is selected, and a dropdown menu is open, listing "Review Questions", "Clerkship Topics", "Flashcards", and "Play Showdown!". Below the navigation bar is a search bar with the text "AccessMedicine" and "Search AccessMedicine", and an "Advanced Search" button with a magnifying glass icon. Below the search bar is a row of book covers: Harrison's Principles of Internal Medicine (19th and 20th editions), Current Medical Diagnosis & Treatment 2018, Family Medicine Examination and Board Review, Current Diagnosis & Treatment Nephrology & Hypertension, Pulmonary Physiology, and Current Practice Guidelines in Primary Care 2018. At the bottom, there are links for "Browse Books by Topic" and "Get Alerts".
