# Alerts

- Navigate to the pane listed on the left-hand side of the page so that you view the administration tools
- To sign up for e-alerts click on *Alerts*.
- Select the individual series for which you'd like to be notified or select all to receive an e-alert when any new title is added.

Sign up for the e-alert service to be notified when new content is available on McGraw-Hill eBook Library.

Select the individual series for which you'd like to be notified or select all to receive an e-alert when any new title is added.

Selecting *Default Book Series* will alert you when any title that is not in a series is added.

The image shows a dialog box titled 'New content alerts' with a sub-header 'Book Series Alerts'. It contains a list of book series, each with a checkbox for selection. The series listed are:

- Select all
