

AccessNeurology Resources for Practicing Clinicians (MDs, PAs, Advanced Practice Nurses) and Neurology Clinical Education

Neurology Topic	Corresponding MHE Resource
Comprehensive and Foundational Neurology Resources for Clinical Education and Neurology Practice	Adams and Victor's Principles of Neurology, 11e Adams and Victor's Principles of Neurology Lectures
	Case Files: Neurology 3e
	Clinical Neurology, 10e
	Clinical Neurology and Neuroanatomy: A Localization-Based Approach
	Harrison's Neurology in Clinical Medicine, 4e Harrison's Neurology in Clinical Medicine, 4e Self-Assessment Questions (69 questions)
	The Hospital Neurology Book

	<p>Neurology: Pre-Test Self-Assessment and Review, 9e (500 questions)</p>
	<p>Neurology Examination and Board Review, 3e (more than 1,500 self-assessment questions)</p>
<p>Neuroanatomy</p>	<p>Clinical Neuroanatomy, 28e</p> <p>Clinical Neuroanatomy, 28e Cases</p> <p>Clinical Neuroanatomy Self-Assessment Questions (100 questions)</p>
	<p>Clinical Neurology and Neuroanatomy: A Localization-Based Approach</p>
	<p>Neuroanatomy Text and Atlas, 4e</p> <p>Neuroanatomy Text and Atlas, 4e Self-Assessment Questions (more than 150 questions)</p>
	<p>Multimedia: Neuroanatomy Animations (3D Anatomy and Neuroanatomy Tour)</p>
	<p>Multimedia Videos: Clinical Neuroanatomy Explained</p>

Neuromuscular Disorders	Neuromuscular Disorders, 2e
Neuroscience	Molecular Neuropharmacology: A Foundation for Clinical Neuroscience, 3e
	Principles of Neural Science, Fifth Edition
Movement Disorders	Movement Disorders
Pediatric Neurology	Pediatric Practice: Neurology
	Pediatric Epilepsy
Neuro-Critical Care	The NeuroICU Book, 2e The NeuroICU Board Review (more than 650 self-assessment questions)
Neuroophthalmology	Practical Neuroophthalmology
	Multimedia Videos: Neuroophthalmology
Focal Cerebral Disorders	Multimedia Video: Focal Cerebral Disorders
Gait Disorders	Multimedia Video: Gait Disorders

Neuro Physical Exam	<u>DeMyer's The Neurologic Examination: A Programmed Text, 7e</u>
	<u>Multimedia Videos: Neuro Physical Exam</u> (more than 100 videos)
EEG	<u>Atlas of Pediatric EEG</u>
	<u>Atlas of Video-EEG Monitoring</u>
	<u>Multimedia Videos: EEG Monitoring</u> (more than 100 EEG videos)
Neuroradiology	<u>Neuroradiology Case Review</u>
Psychiatry	<u>CURRENT Diagnosis and Treatment Psychiatry, 3e</u>
	<u>Depression in Medical Illness</u>
	<u>Case Files: Psychiatry, 5e</u>
	<u>Psychiatry: Pre-Test Self-Assessment and Review, 14e</u> (500 questions)

<p>Literature Reviews- <i>great resource for journal clubs or keeping up with current neuroscience literature</i></p>	<p>Kandel Quarterly: Current themes in neuroscience research; literature reviews of current topics by leading figures in neuroscience</p>
<p>Clerkship Resources</p>	<p>Neurology: Pre-Test Self-Assessment and Review, 9e (500 questions)</p>
	<p>Psychiatry: Pre-Test Self-Assessment and Review, 14e (500 questions)</p>
<p>Graduate Medical Education/ Resident Resources</p>	<p>Neurology Examination and Board Review, 3e (more than 1,500 self-assessment questions)</p>
	<p>Residency Topics: A collection of focused readings from <i>Adams and Victor's Principles of Neurology</i>, selected to mirror a resident's core milestones over a three-year rotation.</p>
	<p>The NeuroICU Board Review (more than 650 self-assessment questions)</p>
