

CASE FILES® COLLECTION

Introducing the **CASE FILES® COLLECTION** — a brand new advantage for residency programs and medical students.

The Case Files® Collection on AccessMedicine® provides residents and students with more 1,150 real-life cases to assist them during coursework and clinical rotations, and to help them prepare for shelf exams and the USMLE. This unique digital resource includes the complete collection of basic science, clinical medicine, and post-graduate level cases from the renowned Case Files® series.

EACH INTERACTIVE CASE INCLUDES:

- Complete discussion
- Clinical pearls and references
- USMLE-style review questions with detailed explanations of the correct answers

The Case Files® Collection on AccessMedicine® enables students and residents to learn in the context of real patients, rather than merely memorizing facts.
