Creating a My Access account provides opportunities for greater personalization and easier access:

- > Remote access to your subscribed site(s), no extra logins or VPNs required
- > Print full chapters
- > Download & save images
- > Set up alerts for new book content
- > Access your Custom Curriculum (if it's being utilized by your program)

Sign up for a My Access account today by logging into your subscription and clicking on your institution name in the upper right hand corner.

## Mobile Access

Our Access sites are built using responsive web design, the latest in web design providing an optimal viewing experience no matter what device is used.

Responsive web design allows the layout of our sites to adapt to the device being used—providing easy reading and navigation with a minimum of resizing, panning, and scrolling.
