How to:

LINK to CONTENT

Use the **durable URLs** found in the browser of all text and chapter content, multimedia, cases, study tools, and clerkship content. [Click here for a tutorial!](#)

Within these textbooks, users can:

- Use the  **Search Book** button to **search within** a specific text.
- **Save figures and tables** in .ppt or .pdf format for instruction.
- **Download** chapters or sections for use offline.
- **Favorite**  titles or chapters to your **MH Account favorites**.
- **Annotate** or highlight using Hypothes.is, a free note-taking tool.

CLINICAL CASES

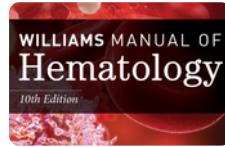

Cases is an online library of 50+ true-to-life clinical cases organized by specialty, a few are shown below. Faculty can use this resource to assign cases to residents, who can complete the case and answer comprehension questions. Results can then be emailed or saved. **Click a thumbnail below to launch.**

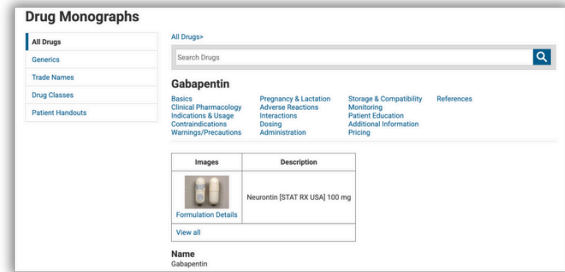

QUICK REFERENCE TOOLS & MORE

Readily accessible for clinical decision making and high-yield study and review. **Click one to launch!**

DRUG MONOGRAPHS

Our **integrated drug database** offers authoritative information on **thousands of drugs**, searchable by **trade name, generic name, class, dosing, interactions, and more.** **Click to launch!**

STUDY TOOLS

Books, Q&As, cases, & multimedia to support hematology-oncology learning.

- **Interactive 3D Animations:**
 - **Breast Cancer** - The animation starts with the breast anatomy, and shows the biological mechanism that leads to breast cancer, including the 4 stages of progression.
 - **Prostate Cancer** - the pathogenesis and takes you through the 4 stages of prostate cancer
- **Hematology Oncology Clinical Questions**
This concise, Q&A-style guide offers practical, evidence-based answers to key hematology-oncology questions, making it an essential resource for trainees and cancer care providers.
- **Pathophysiology of Blood Disorders Q&A**
A concise, full-color guide offering a clear, principle-based understanding of blood diseases. Features updated illustrations, summary boxes, learning objectives, and Q&A.
