

# Leadership as a Way of Being

## Dylan Carson

### Goals Going In

Ethical leadership

“Restoring”

Global citizenship

“a world in balance”

### Overcoming Obstacles

Cultural Programming

Language Barrier

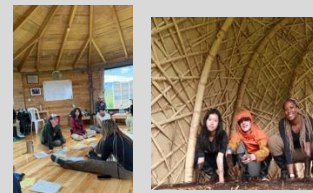

### Working with Pachaysana

Quito

Pintag Amaru

To know when a team member is struggling or when they might need extra support, one *must* build and maintain relationships with one another

Otavalo

Lago Agrio

Puma Wasi

### Reflections

Leadership as Community-Building

Knowledge-Creation

Living with the forest

seeing leadership as *sharing* information and what we've learned with others in the community

### My Future

Trusting intuition

Dealing with Ambiguity

“Small Fires”

I'd like to give more weight to my own intuitions and opinions of my team (even if they are not considered “experts” in the field) when directing work
