

How can I earn CME credits?

- CME credits are offered in accordance with the Accreditation Council for Continuing Medical Education through the joint providership of Interstate Postgraduate Medical Association and McGraw-Hill Education.
- Unlimited site license customers of McGraw-Hill Medical sites may offer American Medical Association PRA category 1 credits to their patrons. There is no limit to the number of credits users can receive.
- Each structured point-of-care search is designated for 0.5 PRA category 1 credits.

1. In order to earn CME credits, you must ensure that you are signed into your MyAccess personal profile.

- + What is the incidence of acne vulgaris?

3. You can begin to earn CME credit by navigating directly to a piece of content from one of the eligible titles or by discovering it via search.

After 15 seconds of reading the content, CME will be unlocked and it will populate to the dashboard.

By clicking on the CME icon, you can begin the process of claiming credit.

The screenshot shows a web page for a book chapter. At the top, there is a breadcrumb trail: Home > Books > Adams and Victor's Principles of Neurology, 10e >. To the right, there are links for 'Previous Chapter' and 'Next Chapter'. Below the breadcrumb, there is a badge that says 'Eligible for CME' with links for 'Learn More' and 'My CME'. The main title of the chapter is 'Chapter 51. Anxiety Disorders, Hysteria, and Personality Disorders'. Below the title, there are several icons: Print, Share, Get Citation, Search Book, and a CME icon (a person with a checkmark) which is highlighted with a red box. A red arrow points from a text box below to the CME icon. To the left of the CME icon, there is another text box with a black border. At the bottom of the page, there is a 'Listen' button and a 'Top' button.

Remember: You must be signed into your MyAccess profile in order to access CME.

After 15 seconds of reading the content, CME will populate to the dashboard.

4. To begin claiming credit, the content must be assigned to a clinical query. Once a piece of content has been added to a query, you can continue browsing on the site.

5. Or you can navigate to your MyAccess profile to finish the process of claiming the credit.

6. Content can be saved in your MyAccess profile for one year, or you can begin the process of claiming your credit immediately.

Clicking “earn CME credit” will take you to a brief questionnaire.

The screenshot displays the 'My CME' dashboard. At the top, there are four tabs: 'Eligible Credits', 'In Progress', 'Earned Credits', and 'About CME'. The 'Eligible Credits' tab is highlighted with a red box. Below the tabs, the heading 'Earn CME credit on your Clinical Queries' is followed by the instruction 'Complete a short questionnaire on any of the queries below to earn CME credits'. There are two tabs for 'Clinical Queries' and 'Unassigned'. Under 'Clinical Queries', a card for 'Anxiety Disorders' is shown, with 'edit' and '0.50 CME Credits' next to it. A red box highlights the 'Earn CME Credit' button on this card. Below the card, the text 'Chapter 51. Anxiety Disorders, Hysteria, and Personality Disorders' is visible, along with 'Adams and Victor's Principles of Neurology, 10e'. A red box highlights the text 'Eligible until 11/28/19'. At the bottom, there is a checkbox labeled 'Alert me when my eligible CME will expire.' with an information icon and a 'Submit' button, both highlighted with a red box. Red arrows point from the text above to the 'Earn CME Credit' button and the 'Eligible until 11/28/19' text.

7. The questionnaire will ask general questions about the nature of your clinical query.
